

Demystifying GPT

Two Day Hands-on Workshop on
Generative AI

Who can attend?

The proposed workshop is tailored for faculty, researchers, and students from all disciplines who are eager to demystify deep learning and unlock the potential of GPT models - the current pioneers in AI. Whether you're a beginner seeking to understand the fundamentals or an experienced practitioner aiming to refine your expertise, this workshop provides valuable insights for all levels.

Day - 1

- Getting Started with Deep Learning using PyTorch
- Crafting Natural Language Processing Models
- Exploring the Basics of Large Language Models

Day - 2

- Architectures and Applications of LLMs
- Deploying LLM Systems
- Challenges and Future Directions in LLMs

Highlights

- Comprehensive Deep Learning Foundations
- In-Depth LLM Exploration
- Practical Deployment Insights

Resource Persons

Dr. Anuraj Mohan

Associate Professor
Department of CSE, NSSCE

Prof. Kiran V K

Assistant Professor
Department of CSE, NSSCE

Dr. Sruthy Manmadhan

Assistant Professor
Department of CSE, NSSCE

Mrs. Rabeena T M

Research Scholar
Department of CSE, NSSCE

- Academia: 750/-
- UG, PG & Research Scholars: 600/-
(Tea, snacks and lunch will be provided)

Date: Aug 30 - 31, 2024

Venue: Programming Lab, CSED
